The Generation 2 Pro Thrower Axe is constructed of one-piece tempered stainless steel and features a perfectly balanced double axe head and a "trigger grip" handle design that guides the hand into the same consistent and accurate release each time it is thrown. The four-edged double-function design can be thrown to strike point or axe edge first. Includes a genuine leather belt sheath. Gil Hibben throwers are the most popular and most imitated throwers on the market today. Only accept a genuine Hibben original!
